

**361: ChatGPT, I. Lorenz; Persistence (Summer - Winter); San Francisco; 2025;
Diptych: AI-generated and de-familiarised as a painting**

A diptych about staying put amid change.

In summer: a clearing bathed in light, shimmering green, the fir tree a calm anchor in the vibrant light.

In winter: the same place, the same presence – snow, clear air, muted colours.

Two seasons, one attitude: consistency as a quiet force that protects, organises and carries on.
