

341: ChatGPT; A Glimpse Long Love; San Francisco; 2025; AI-generated painting based on an artistic design

Sometimes a single glance is enough to recognize Love.
But only those who look **with Love** truly see.

It was just a moment.
No vow, no promise.
Just a glance – held, not sought.

Yet within it lay everything
that ever needed to be said.

Perhaps it was the first time
two souls did not find each other
but recognized each other.

*This painting does not recall an event.
It recalls you.*
